35 USC §102

Claims 13, 14, 16, and 19 are rejected under 35 USC §102 as being anticipated by Traynor. Claims 13, 14, and 16 have been canceled and accordingly, the rejection of these three claims is overcome. Claim 19 has been amended to incorporate the features of originally submitted claims 21 and 22. None of the references of record teach or suggest the invention set forth in newly amended claim 19 and accordingly, the undersigned believes that claim 19 and its dependent claims (claims 20, 23 and 24) are now in condition for allowance.

New claim 25 has been added. New claim 25 incorporates the substance of originally submitted claims 19 and 24. None of the references of record teach or suggest the invention set forth in new claim 25 and accordingly, the undersigned believes that new claim 25 is in condition for allowance.
